NOT only is green a great look on your eyelids, it also works for other make-up varieties. Nvey (pronounced n-vay) Eco has just launched an organic make-up range. Manufactured in Australia, Nvey Eco contains a blend of plant and mineral ingredients fused with natural botanical extracts and anti-oxidants. And the best thing about this range which

includes eyeshadow, bronzer, compact powder and lipstick is that it goes on easily and stays put throughout the day. Stockists: 1800 245 412.

LOOKING for a cute present for all your friends? Cute and quirky, the My-Ti (\$39) is a surefire way to look great but keep shaded on those days in the sun. The '50s-inspired fabric visor, *right*, from accessory label Made by Swade shades the face and ties around the back of the head. Stockists: (02) 9907 7097.
